Fishers of Men is an organization of evangelical Christians whose mission is to glorify God by meeting the basic needs of their neighbors while sharing the good news of Jesus Christ.

Fishers of Men's Refuge Ranch serves as the site of a new forever family for children in need of love and care. Founder Julie Claassen, with the help of support staff, seeks to raise each child as her own.

**Fishers of Men facilitates Evangelistic Medical Mission Crusades with Christian volunteer doctors, optometrists, hair stylists, and more dedicating their time and talents to serve the Lord.**

Through free medical and dental clinics, Fishers of Men provides needed medical attention throughout Mexico while offering the hope and help that comes through a personal faith in Christ.
