Hosanna Industries, founded in 1990, is a faith-rooted organization committed to ensuring that every person has a safe and secure place to live.

Hosanna also organizes community outreach programs and events to engage their local community, like weekly programming for youth, the Hosanna Harvest Garden and canned goods program, and trade skill training opportunities.

Through their work in Southwestern Pennsylvania and beyond, they provide critical home repairs, new home construction for those in need, and disaster relief efforts.

By the grace of God and through the mechanical and aesthetic arts, the Hosanna team works year-round to bring hope to the hurting.
