Love Worth Sharing is committed to improving the lives of Haitian children by offering financial assistance for education, ensuring that those without support can attend school and build a brighter future.

Through its Saturday feeding programs during Bible camps, the organization provides essential nourishment and spiritual encouragement to children in need.

Love Worth Sharing also delivers medical care and promotes healthcare awareness, working to improve the overall well-being of communities throughout Haiti.

Their efforts extend to rescuing and restoring children from the streets, planting churches, hosting Christmas events, and running a two-month summer camp that fosters growth, joy, and hope.
